

## DENVER SKIN DOCTORS

### Self-Pay Health Insurance Waiver

Patients who do not have health insurance, whose insurance is not in-network, or who are having a cosmetic service performed with Denver Skin Doctors may choose to pay out-of-pocket for services provided at Denver Skin Doctors. A waiver of insurance submission is required.

If you have out-of-network benefits, you are welcome to submit a copy of your superbill provided at the time of your visit to your insurance and ask that your insurance reimburse **YOU** directly. Denver Skin Doctors will **NOT** submit further documentation or participate in any manner in obtaining payment on your behalf for out-of-network benefits.

All payments are final and refunds are not provided.

By signing below, you acknowledge that services rendered today will **NOT** be billed to your health insurance and you agree to pay all charges in full. You also acknowledge that you do **NOT** have Medicaid/Medicare coverage (unless waiver is for a cosmetic service).
